Christmas Bingo

Cut out each one of the festive pictures opposite, fold them all up and put in a bowl.

Take it in turns to be the bingo caller.

Issue each player a bingo card (there are 6 cards for you to print off).

Use fun things as bingo markers like cut out pieces of card or paper, stickers or even sweets.

The first person to get a row wins!

This is a great game to play with your family and friends. You can even play it over a video call if you get your relatives to print them off at home. A lovely way to bring your loved ones together this Christmas if you aren't able to see them in person.
