

# ENVIRONMENTAL POLICY

## 1. General Statement

Tomorrow's Forests Ltd believes that all our activities have an impact upon the environment and that environmental issues are of critical importance. This policy commits our company to continual environmental improvement, to prevent pollution and take actions that will lead to environmental sustainability.

## 2. Aims and Objectives

**We will achieve our policy objectives by continually striving to:**

Conform to and where possible exceed environmental legislation.

As a company and as individuals plan our activities, services and products to minimise any adverse impacts upon the environment.

Train our employees to be environmentally aware, environmentally responsible and continually work towards environmental sustainability.

Control our emissions to air, land and water.

Minimise our use of nonrenewable resources.

Encourage the reduction of waste where possible.

Recycle where possible.

Ensure good environmental practices by regular review of the environmental policy.

## Communication

The company's environmental policy is communicated to all employees and is available to all interested parties upon request. A copy is in all work-site trucks and on display in the office.
